Dear Mr. Ure:

We understand that the Provo River Distribution System Board has approved a voting Board position for Central Utah Water Conservancy District (District). We appreciate the opportunity to have representation on the Provo River Distribution System Board and look forward to working closely with you on issues relating to the distribution of the waters of the Provo River.

The policy of the District in designating its representative to serve on your Board will be through an appointment made by the District's General Manager. The appointment will be made through correspondence from the District's General Manager to the Chairman of the Provo River Distribution System Board.

Through this letter, I have designated Daryl Devey, Bonneville Unit Coordinator with Central Utah Water Conservancy District, to serve in this position.

Again, we appreciate the opportunity of serving on the Provo River Distribution System Board. If you have any questions, please contact this office.

Sincerely yours,

Don A. Christiansen
General Manager
